#### WHAT WE REQUEST OF ISLAMIC CENTERS DURING FRIDAY PRAYERS

##### ADDRESS THE SITUATION:

Muslim Americans are uniquely positioned to end the embargo of Gaza. They can advocate and mobilize their fellow Americans in actually ending the embargo. Therefore, it is a duty on our Ummah in America to do more than give aid to Gaza. We must join hands with all people of conscience in America and actually end the embargo of Gaza. Help us achieve this goal. Go to <http://gazalive.org> for more information.

##### MAKE A FINANCIAL APPEAL:

We need you to assist us in collecting funds for this important campaign. Please have the Imam fundraise after the khutbah for the campaign. One of our representatives will be contacting you to collect the funds. Donors can also donate online at [www.gazalive.org](http://www.gazalive.org).
